Sir:

REQUEST FOR REFUND

This request for refund is made within two months of the date a fee was paid in this application on April 14, 2005 in the amount of \$1,020.00 for a three (3) month extension of time.

Applicants contend that the delay in response was due to a clerical error on the part of the United States Patent and Trademark Office. The Notice of Non-Compliant Amendment indicates a mailing date of October 21, 2004. However, the document was not received by the Applicants' representatives until March 21, 2005. A copy of the Notice is attached hereto which clearly shows both the PTO mailing date and the date on which it was received and duly stamped by the Applicants' representatives. Please issue a refund for \$1,020.00, and credit it to Deposit Order Account No. 19-0079, as the delay in the response was unavoidable and not due to any fault on the part of the Applicants and/or their representatives.

Respectfully submitted,
